Toyo Amador – Seguin, TX

The National President- Toyo Amador received a letter from the Pomona, California chapter asking to be removed from the National Convention Rotation list for the year 2015. After reading the reason for the withdrawal, Mr. Amador accepted the Pomona request.

Mr. Amador stated the interest in the 3rd Delegate Meeting/Workshop has escalated and is very glad to see that. After the Winter Meeting Mr. Amador received a letter from Waco, TX to host the 3rd Delegate Meeting/Workshop in 2009 and has received a letter from Brazoria County to host in 2010.

Mr. Amador presented a handout:

1. Looking forward in establishing a senior type national tournament in conjunction with our Third NPAGA Delegates / Workshop Meeting as our Third Meeting city(s) host list grows with emphasis on skins, prize money and rings rather than trophies. Am very satisfied to see that our mandatory Third Meeting interest is growing rapidly with Waco, Texas hosting our 2009 meeting and the Brazoria County PAGA is at this time in line to host the 2010 Third Meeting.
2. Am still looking for a proposal from chapters at large that would implement rules and Guidelines for our future NPAGA Winter Meeting Tournaments that would include golf courses to be used, number of flight payouts according to number of entries and possible number of rounds required to participate in the tournament.
3. Looking forward in passing a resolution to increase our per capita by at least \$4.00 in order to increase our reserves by approximately \$10,400.00. This would leave us solvent enough to award our annual \$5,000.00 scholarships for two years in advance.
4. Would like to establish a National PAGA 10% commission fee on all host cities that will host future Winter Meetings and National Conventions. This 10% fee would be paid to our national treasurer from the net profits that these host cities clear during their functions. The commission gained by the national office can be used by future national officers to travel to the annual Midwest Invitational Tournament that is hosted by our northern chapters and perhaps other out of state functions that are currently being hosted by other Pan-Am chapters. This revenue could also be used for additional national office and or national archives expenses.
5. In light of our U.S. national gas price escalation, I would like to introduce a motion today to increase our national office mileage rate from (.30) cents per mile to (50.5) per mile in order to be in accordance with the current IRS and corporate mileage reimbursement rate.
6. Looking forward to seeing everyone at our third meeting in Missouri City on October 17th – 19th.

Jesse Pena – Austin, TX

The Senior Committee comprised of members from – Pomona California / Bob Villarreal Oklahoma City, Oklahoma / Terry Plumley and Dallas, Texas / David Tovar met and discussed the mission of this committee.

Mr. Pena presented handout Ten Round Rule and Report on Senior Tournament
Directive: Find information and determine the rule for the qualifications to the National Tournament of the northern chapters

1983 – Delegates approved the constitution to permit those northern chapters to three round qualifications for participation to the National Tournament. Northern chapters are those north of Amarillo, TX

Since then reprints of the National Constitution there has been no action by the delegates that approved the current requirement of ten (10) rounds. This finding applies to all members of PAGA.

Directive: Is there an interest in reviving or creating a Senior Tournament.

A survey needed to be created to survey members with basic questions regarding senior issues. The committee canvassed those surveys and concludes these findings:

1. 95% of those surveyed are in favor of creation of the Senior Tournament
2. 95% in favor of associating the tournament with the Third Delegates' meeting

Three very important factors for delegates to consider the creation of the directive:

To revive dwindling general and senior members

To address the lack of a quorum at our third required meeting

95% responders are in favor of the idea of a senior tournament

Recommended Action:

Delegates to approve the creation of the Senior Tournament

The standing committee continues to move on this item or the President assigns a new committee. (Standing committee is prepared to act)

Amend the National constitution with appropriate language for the Senior Tournament and bring a proposal to the next delegates meeting in Deer Park, TX (Hosted by Missouri City, TX)
