

PAN AMERICAN GOLF ASSOCIATION
Corpus Christi Chapter
801 Horne Road
Corpus Christi, Texas 78416

Ms. Charlene,

Here are a few events our association does in support of our community:

- ❖ Hold two **scholarship tournaments** a year giving a total of 10 scholarships per year, each valued at \$500 for a total of \$5000; each tournament is co-sponsored by our distributors of Miller Lite and Budweiser. They have been supporting this event with us from day one
- ❖ Sponsor a **Meet and Greet Santa** event for elementary school children of the West Oso Independent School District. This year will mark the 35th year for this event. Aside from meeting Santa, each child receives a goodie bag with fruit and various gifts inside. We stuff 1200 bags for this event each year...ALL FREE.
- ❖ **Junior Golf Clinic** – held every Saturday in June for any child from the age of six through 18, however, no child is turned away. We teach basics in driving, chipping and putting. This event was first introduced in 1972 by Mr. Rudy Valenzuela and to this date is still one of the greatest events held for children in our community. We hold a mini-tournament for all those that attend on the last Saturday with prizes and trophies for each child that participates. We also feed each child and their family members that attend each Saturday. All this is done FREE for each child that attends. The association pays all the fees on golf course for each child with the help of Foresight Golf, a major contributor to this event.
- ❖ Assist the **Special Olympics** with their annual golf tournament. Our association runs the golf tournament and allows the Special Olympics to enjoy the amenities of our clubhouse to hold the after golf festivities for meals, auction, raffles and prizes, also at no charge. The last two years since we have jumped on board, the Special Olympics has not been in the red and in fact, they made more money in the last two years then they had in the last ten years holding same event.
- ❖ Hold an annual **Veterans Day Tournament** to honor all members of our military, past and present. We have erected a wall which will hold plaques with names of members and/or family members of PAGA who have proudly served. This annual event will allow for us to continue to upkeep and hopefully, expand as we open this wall to all members of the PAGA family (nationwide).

Armando G. Caceres, Jr., President

PAGA, Corpus Christi Chapter
