# SAN ANGELO PAN AMERICAN GOLF SCHOLARSHIP

As an organization we feel extremely honored and blessed to be hosting our 37<sup>th</sup> Annual Scholarship Tournament. With the help of our members, past and present, our community, and all the individuals and businesses who supported us, we were privileged to award twenty-three \$1,000.00 scholarships in 2018 to some very truly deserving and grateful group of Young Ladies and Gentlemen. As you can see on our Logo, we are an organization that embodies our motto; Sportsmanship, Friendship, Community, and Education, with an emphasis on “Education”.

Scholarship Applications are coordinated with & distributed by our Local High School Counselors, whose help is invaluable, as we try to reach as many students as possible. Our scholarships are unique, in that any graduating local senior can apply, **“DO NOT HAVE TO BE A GOLFER TO APPLY”**. Our Goal is to help those students who have worked hard to get to this point & have shown that same work ethic in pursuing a higher education, and lastly, truly need a helping hand.

Scholarships are awarded based on the applicants academics, school participation, financial needs, community involvement and employment.
