New Business:

Amendment to the NPAGA By-laws, PAGA of OKC, Mr. Robert Poor – The changes proposed by the Oklahoma chapter presented at the winter meeting address Article V of the constitution. The first proposal is an addition to SECTION 2. Section 2 requires a minimum of 3 National Business Meetings per year. As we have learned from the pandemic there will be events beyond our control that prevent the in-person assembly of the delegation. The proposed addition will allow the usage for Video Conferencing services to fulfill our national meeting requirements. Note the use of video conferencing does not replace the assembly of the delegation when conditions permit.

The second proposal updates SECTION 3. Section 3 allows for the National President to call a special meeting by notifying the delegates 30 days prior to the meeting. The proposed changes include the use of email in addition to 1st class mail for the notification process. Also, these special meetings would be conducted using video conferencing services.

Raffle report, NPAGA Secretary, Mr. Ernie Torres – a raffle was conducted as a fundraiser to help expenses of visiting out of state chapters. The drawing was on February 16th at approximately 5pm at the National Archives in San Antonio, TX by National President Mr. Ray Aguillon Jr. and National Secretary Ernie Torres. A total of \$1956 was spent on prizes leaving us with \$2144.

Old Business:

NPAGA Logo Patent/Trademark Update, National Secretary - Mr. Ernie Torres

The trademark application has been filed for “The National Pan American Golf Association PAGA” (and design) with the U.S Patent and Trademark Office, and it has been assigned serial number 97062915. In approximately 4 months, an assigned examining attorney will review the application to determine if all legal requirements are met. Currently the mark is not registered and is considered a “pending” application. The overall process from the time of initial filing to registration or final refusal can take 13-18 months or even longer, depending on many factors (e.g., the correctness of the original filing and the type of application filed.)

National NPAGA Committee Reports

NPAGA Men's Hall of Fame Committee, National VP - Mr. Rafael Nanez II – a committee has been formed by Mr. Nanez that consists of Hall of Famers - Andy Rivera (Houston), David Longoria (Corpus Christi), Fred Salinas (Missouri City), Paul Moreno (Austin), Bobby Rodriguez (San Marcos), Leo Cadena (Edinburg), and Toyo Amador (Seguin). The HOF committee received 4 applications which none had qualifying votes according to the guidelines.

For the first time in existence of the Men's Hall of Fame a ballot was sent in with a woman's name. The ballot was not counted due to the guidelines not accepting women's applications. The following guidelines will get reviewed at consolidating the Hall of Fame into one.

Mr. Fred Salinas brought up accusation that a woman is allowed. The women created a Women's Hall of Fame and since its inauguration year have set their own guidelines for women applicants.

Women's Hall of Fame Committee, PAGA of Brownsville – Dr. Olivia Rivas – the Women's HOF was established in 2006, its first inductee was in 2008. The HOF currently has seven women

National Joint Hall of Fame Committee, Mr. Rafael Nanez II & Dr. Olivia Rivas – will work to improve the guidelines and to initialize one Hall of Fame.

Women's Committee, PAGA of Corpus Christi – Ms. Cookie McBride
Motion was made by Mr. Fred Salinas for NPAGA to donate \$1,000 to Women's Committee. Seconded by Ms. Cookie McBride
Delegates voted majority for the approval

PAGA of Irving donated \$200; PAGA of Dallas donated \$100 to the Women's Committee

**2022 NATIONAL CONVENTION & GOLF TOURNAMENT
DELEGATES MEETING – JULY 27, 2022
HOSTED BY PAGA OF EL PASO
NATIONAL SECRETARY'S REPORT**

Welcome delegates to El Paso also known as “El Chuco”. Thank you PAGA of El Paso members, Coach Moore, Tank Tomberlin, all volunteers and President Pete Solis for working hard to make a great National Convention. We look forward to a great week in El Paso.

As we gather this week we are celebrating ‘Pan American Golf Association’s 75th Anniversary’. Many golfers, families and children who are now golfers have encountered PAGA Nationals year after year having built a great family tradition that still carries on amongst us to come to this yearly event. Thank you for carrying on what the PAGA founders formed in 1947. Be proud to be part of an organization that has been around for 75 years.

Continue to send me your Chapters Invitational as I will continue to pass out the information via startershack, social media and have them added to the National website.

***!Viva El Chuco!
!Viva PAGA!***

Kind Regards,

Ernie Torres

National Pan American Golf Association

July 27, 2022

My PAGA Brothers & Sisters,

I know we have all been going through some very trying times these past couple of years. If any of you lost a love one due to this terrible virus, we want you to know that we all have been praying for everyone's safety and recovery.

The year 2021 thru his year has been hard on all of us including the Pan American Golf Association. We have lost members not only to Covid 19, but also due major layoffs.

That's why it is so important for each chapter to clean their roasters so we all don't get charged for members that have resigned. I know because they're chapters that have entered the same player twice. Some chapters forgot to deactivate their nonpaid members and didn't want to pay for their members on their invoice and only one refused.

Being Treasurer is not as prestigious or friendliest position in the National Board. I dislike quoting the Constitution & By-Laws to my fellow Brothers and Sisters. I will remind everyone that the National Board does not have the authority to bent or break the rules. My responsibility is to remind everyone of the Constitution & By-Laws and to enforce them. The only ones that can deviate from the rules is a majority vote of the delegates.

I don't like to be harsh as some have stated, but it your dues are not paid that's probably the only way to collect. Each one of us are just doing our jobs.

Thanks,

R. G. Garcia

National Board Treasurer

National Tournament Director Report
National Tournament El Paso, Texas
Wednesday July 27, 2022

Good Morning Delegates.

First and foremost a big great thank you to the El Paso Chapter for all the hard work and headache they have put into it for us to be able to enjoy this week.

President Pete Solis and his entire chapter have done a fantastic job.

Coach David Moore El Paso tournament director also deserves a big thank you for his endless work.

Please excuse for not starting the Starter Shack zoom classes. I figured since I would be home recovering two knee replacement that I would have no problem conducting the classes. Well I was wrong as I am still recovering from surgery but promise to start once I am able to sit still without having to get up to stretch my knee from sitting still to long.

Still having chapters starting new profiles for golfers who transfer over from other chapters. For player transfers, please have the president from both chapters send an email stating that the member is in good standing. The other chapter will send an email they accept the transfer. Once both emails are received, I will proceed with the transfer. Please before adding a golfer to starter shack always check that he is not on the inactive list. There seems to be a lot of double entries in the system.

Mr Riley is working on starter shack to allow us to keep track of golfers who are in the wagering and the payouts for them. That should be a nice tool for us to use.

Chapters we need to use starter shack whenever you have a tournament. I've notice chapter entering rounds why after they completed a tournament. So please commit to it.

I will be keeping a close eye on this from here on out, and will not be allowing it starting this new season.

Please send me names and information for anyone who makes a hole in one. I would like to recognize them with a email blast.

Again I will start my zoom starter shack classes as soon as my knee allows me.

If you would like to be one of the first to start it up, please let me know after the meeting

Please feel free to reach out to me if you have any questions or problems with starter shack.

National Vice President Report

Welcome to Our 2022 NPAGA National Convention and Tournament in El Paso Texas!

I would like to congratulate the PAGA of El Paso Chapter for their dedication and hard work in putting together this National Convention and Tournament. The leadership of Mr. Pete Solis along with the long hours of El Paso Athletic Hall of Famer Mr. Dave "Coach" Moore, Ms. Chris Seelig, Committee Chairs, members, and volunteers. Each of you has shown the PAGA Nation the True Spirit of the NPAGA. We applaud you. I want to thank you the Delegates for your presence here this morning. You demonstrate loyalty and dedication to the organization and your chapter. You are the reason we can celebrate the 75th Anniversary of the PAGA and the legacy continues of our organization because of your unwavering support.

It has been my role to support and help the host cities and Board with questions on various issues common to the National events. It was an honor to represent the NPAGA and join Mr. Pete Solis at the El Paso Commissioners Court Monday morning meeting. I am also very proud of how the Board stepped up and took care of issues with phone calls, Zoom meetings, and an incredible effort by all to get us here today. Great Job Board!

As your National Vice President, I have been busy with assigned duties of merging the NPAGA Hall OF Fame of both Men and Women, reviewing the National Rotation list, recommending changes to our schedule of events and its relevance to current times.

In closing, I wish you all a wonderful time in Chuco Town. Enjoy yourselves, relax have fun, make amazing memories, win lots of money and when you return, share the National experience with your chapter members and encourage them to participate in San Antonio next year. Thank you.

Regards,

Ralph Nanez II

National Vice President

Good morning PAGA Family and Happy 75th Anniversary Pan American Golf Association! (1947 – 2022)

Thank you PAGA of El Paso for hosting this 64th Annual National Convention & Tournament.

This year has flown by, and it is starting to look like we have more road in our rear view than through the windshield. I say this because as we move forward it only seems like the list of things that require attention only gets longer and the solutions bucket seems to be empty. After much thought and reflection, I have concluded that what our organization needs is a better understanding of who we are?

For years now we have struggled with an identity crisis is this organization really a Men's, Women's, Juniors Golf Organization, are we a scholarship raising organization, are we seniors, as our mission statement says on our website? Or are we an organization that focus on things as they come up reactively and change only to the likes of the new administration every so often?

I ask this question because after reflection I have concluded that we are an Organization with No Defined Mission and an identity crisis. We can sit here and debate what needs to be fixed what needs to be done but all of that will only band aide our true problems, I challenge our delegates to go back to the basics of creating a true mission statement and building a blueprint of what we want to build. Until we do that the growth we need and seek for this organization to heal will not come.

I am going to redirect and challenge our Board to **COMMUNICATE!** This time between our National Convention and the Third Meeting in Irving will be dedicated to Communicating. I will revamp channels of access to our board and our chapters, and we will begin to work together to Define who we are.

There is a lot of work to be done and it will require much time and effort but my love for this Organization will not allow me to watch us fall deeper into uncertainty under my administration.

I challenge you all not to merely point out our failures but to communicate and help come up with solutions. Join us in building the next 75 years of this organization!

Thank you for the trust and confidence you have placed in me as your President, I promise to continue to work hard to continue to improve our great organization.

Subject: Proposed changes to the Constitution

Delegates,

Attached are two proposed changes to Article V, Meeting Procedures, of the National Constitution. The first proposal is an addition to SECTION 2. Section 2 requires a minimum of 3 National Business Meetings per year. As we have learned from the pandemic there will be events beyond our control that prevent the in-person assembly of the delegation. The proposed addition will allow the usage for Video Conferencing services to fulfill our national meeting requirements. Note the use of video conferencing does not replace the assembly of the delegation when conditions permit.

The second proposal updates SECTION 3. Section 3 allows for the National President to call a special meeting by notifying the delegates 30 days prior to the meeting. The proposed changes include the use of email in addition to 1st class mail for the notification process. Also, for these special meetings would be conducted using video conferencing services.

Thank you for your consideration,

Robert Poor

Secretary, Oklahoma PAGA

EL PASO STRONG 2022

Dear PAGA Conventioneers:

The El Paso Pan American Golf Association and the community of El Paso (the home of the star on the Rockies), want to welcome you and your families to the 75th National Pan American Golf Association Tournament and Convention. The El Paso Chapter has dedicated its resources to assure that you will have a fun-filled week of golf, music, dance, and camaraderie. Now that it's time for our annual event, the El Paso Chapter is very proud to serve as your host and are ready to serve you and your loved ones.

No endeavor of this magnitude could have been accomplished without the support and assistance of our major sponsors, who are duly highlighted in this brochure, and other El Paso merchants and PAGA chapters listed in this brochure for your support and your advertisements.

A convention such as this is only possible if you have faithful volunteers and we wish to thank them for their hard work. They are recognized in another page of this brochure, so when you see them they will still be working hard to assure that all your needs are met. Give them a pat on the back and get to know them.

Muchas Gracias y Bienvenidos to the 75th National Convention and Golf Tournament in El Paso. Enjoy the sights, our hospitality and our golf courses. We are El Paso Strong!

Make the NPAGA Hall Of Fame inclusive to both Men and Women

Purpose Statement:

The purpose of the National Pan American Golf Association Hall of Fame is to preserve the History of the organization and to recognize and honor men and women who have excelled in the game of golf and/or who have demonstrated loyalty, dedication and distinguished service for the advancement of our organization at the local and national level.

NPAGA Convention Rotation and Guidelines Committee

June 27, 2022

Good Morning Delegates,

We will be convening in Irving Texas in October and we will finalize all National Rotation Lists to include the Winter Meeting, National Convention, and possibly the 3rd Meeting. The purpose is to solidify chapters willing to host. I realize hosting events has become more difficult and changes are inviting to make them more appealing to all of the membership. This is a huge task with tweaks and changes ahead but we must look at our practices straight in the eye and not be afraid to make those changes that are long overdue if we wish to grow locally and nationally.

Let's Make The Change,

Ralph Nanez II
