

# 2023 Pan American Golf Association National Tournament and Convention

The San Antonio chapter of the Pan American Golf Association is proud to host the 2023 National Tournament and Convention!!

The San Antonio Chapter (SAPAGA) was established in 1947. PAGA has over 2,100 active members in 37 cities throughout the United States.

We foster the promotion and advancement of golf in our community through the following efforts:

- Organizing tournaments for men, women, and junior golfers.
- Support civic and charitable organizations.
- Award Annual Scholarships to deserving area students.
- Provide junior golf with free clinics, equipment, and financial support.

Membership is open to the public. Our 120+ active members include working and retired folks from all professions – we have teachers, coaches, white-collar, blue-collar, military, local business owners, law enforcement... and all ages and all skill levels are represented.

The 2023 PAGA Brochure provides an opportunity to advertise to the 750+ players & families that will converge on the Alamo City in late July. The brochure is distributed throughout the convention and makes it way to wherever our members travel.

Your purchase is greatly appreciated. SAPAGA is an IRS approved charitable foundation. Your purchase is tax-deductible, please consult your tax advisor.
