**2023 NATIONAL PAGA WINTER MEETING  
AND GOLF TOURNAMENT – MARCH 31 – APRIL 1  
HOSTED BY PAGA OF SAN MARCOS  
NATIONAL SECRETARYS REPORT**

Welcome all to San Marcos, TX, it looks like the PAGA fraternity is back after a couple years of the pandemic. With the showing of 300 golfers this weekend is proof we can still strive as a PAGA family. Thanks to San Marcos President Gilbert Perez and its members on working to putting a great weekend of golf and celebration for all of us to share and make memories. Also, a congrats to PAGA of San Marcos on celebrating its 50<sup>th</sup> Anniversary this year. Job well done.

As many of you know the last couple of years I've been trying to get "The Pan American Golf Association" trademarked. I have some great news to share with you we have attained the certificate from United States Patent and Trademark Office notating that PAGA owns the trademark. It was a lengthy process but well worth it as it will be ours forever and ever. We the board have also found someone to create us a new website. The process should be starting within the next few weeks.

As the new year is starting up for Invitationals please send me your golf outings to be posted to the national website. Again, as the new website is being worked on, please be patient with the process. You still can send me the tournaments and I still can pass on the information via startershack. Thank you and have a great time here in San Marcos.

Kind regards,

*Ernie Torres*

**2023 Winter Meeting San Marcos ,Tx**

Good morning Delegates

Like to welcome you all to the San Marcos, Tx for the 2023 Winter Meeting.

A big thank you to the San Marcos members for all the hard work in putting this meeting and tournament together . We have over 300 golfers and we thank all the chapters who helped support this great event.

Please remind your members who are golfing to make sure they turn the scorecard in before they leave the golf course on Saturday

Chapters can we please fill in players information on startershack with birthdays,emails and phone numbers so that we are able to contact them if needed. Chapters also need to lable your President and tournament director on startershack so that we know who to contect if needed.

We still have chapters who are not using startershack for tournaments and are just entering scores. When using startershack please enter the course name and players everytime you have a sanction PAGA tourament. I will be more than glad to show anyone how to use the system if you need help with it.

For players transfers, it is important that you do not make a new

profile for the golfers who is transferring with checking the active and inactive list. The only one who should be doing transfers is the National Tournament Director. Have the President email me to let me know the member is in good standing and i will proceed with the transfer once i know they are in good standing.

Send me info for all hole in one so i can email it out and get them the recognition they deserve.

Please feel free to reach out to me for any help or questions.

Good luck to all

Thank You

Alonzo Reyes
