Lodging Package & Details

CANCELLATION POLICIES ?

The golf courses are going to need confirmation **30 days prior**, so any adjustments prior to that cut off date we can refund the cost for those rounds. Anything canceled within 30 days will result in a raincheck for those rounds. For lodging, we cancel units up until **60 days prior to arrival and refund you for any units released. Anything canceled within 60 days will result in a cancellation fee which is prorated based on the number of days prior to arrival that it's canceled. HOWEVER....if we are not canceling an entire unit, just adjusting the number of people staying in that unit, the total cost of the unit will still need to be paid**, so you could either charge those that cancel their lodging cost, or spread their lodging cost amongst everyone else...but this will result in an increase for the rest of the group.
